Packages & Pricing

The Watering Can creates urn liners designed to fit most urns in today's market. Our smallest inserts are environmentally friendly, biodegradable fiber liners.

Not sure what planter package is right for your urn? Measure the mouth and depth of your planter using a measuring stick. Also consider the tapering of your home urn.

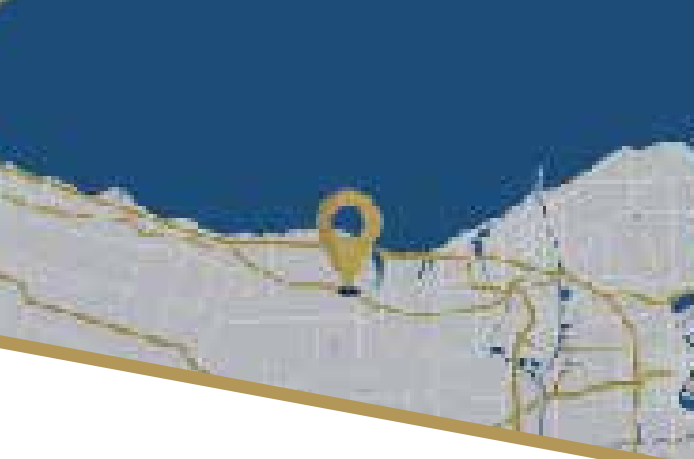

Basic

Mouth - **12"**
Height - **8"**
Base - **8"**

Premium

Mouth - **15.5"**
Height - **12"**
Base - **13"**
